

Appl. No. 09/990,249
Amdt. dated: April 13, 2005
Reply to Examiner's amendment of March 9, 2005

REMARKS

Claims 12-14 and 37-39 are pending in this application. Claims 12-14 and 37-39 are allowed. By the present amendment, applicant has amended the title to correct an obvious typographical error ("FGF1B" rather than "FGFB1"), and to clarify that the DNA construct comprises a sequence encoding the large SV40 T antigen, rather than the antigen itself. As the amendment does not alter the scope of the allowed claims, Applicant respectfully requests entry of the present amendment.

Respectfully submitted,

Date: April 13, 2005
